

Microsoft 365 Licensing & Provisioning

Offering a holistic approach to Microsoft 365

Whether you are implementing a new suite of services, refining existing services, or just renewing your current license, as a Microsoft Certified Partner, Divurgent is able to provide provisioning support as part of our full suite of 365 services. Our **Concierge Service program**, allows a single line of communication that is predictably available and responsive. When working with a Microsoft partner, customers want to know that their provisioner is responsive and available, not at the partner's convenience, but at the customer's need.
