Our Approach: Data-Informed Solutions

Divurgent is a solutions provider focused on what matters most to our client partners. We disrupt the typical value equation by using data-infused, flexible, and scalable solutions that demonstrate and quantify value for our partners.

Data-Informed Delivery Approach: We leverage quantitative and qualitative data to deliver transparent projects with great outcomes.

Solution Adaptability: We deploy custom solutions for our clients that fit into existing people, processes, and technology.

Value-Oriented Approach: We provide innovative and cost-effective solutions that generate measurable positive outcomes for our clients.

Efficient & Scalable Operations: We can source large numbers of technical resources at various price points and local to specific geographies on demand.

Rapid, Flexible Client Responsiveness: With minimal corporate red tape, we can quickly and efficiently respond to client needs and requests.

ELITE Values

Excellence, Learning, Innovation, Trust, Enthusiasm—these are the ELITE Values that drive us to be more and do more—to redefine consulting and transform healthcare for our clients and the communities they serve. We are passionate about providing innovative solutions that offer our clients the opportunity to improve patient outcomes and enhance operational efficiencies. Staying true to our values, mission, and our vision of a passionate Team has given us the tools to be a successful firm both externally and internally, growing both as a company and as a Team.

Excellence: Deliver and strive for excellence in all that you do and say

Learning: Foster a learning environment

Innovation: Be forward-thinking in your leadership, problem-solving, and delivery

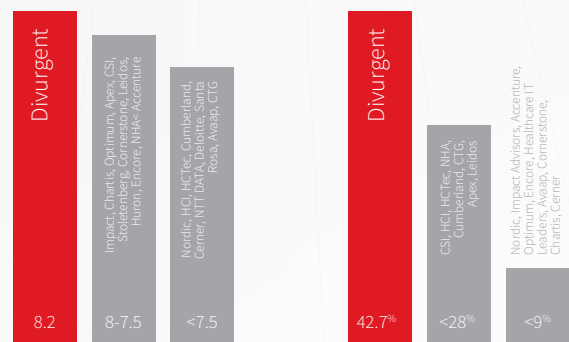

Trust: Through integrity and ethics, establish and build mutual respect

Enthusiasm: Be energetic and take the initiative
